

Pack to Give Back: Harvesters Holiday Boxes

Many holiday memories are made around a festive meal. However, for more than 252,000 people in the 26-county service area that Harvesters serves, a festive meal and tableside memories are not certain. Harvesters' network of community food pantries is working to bring joy to hungry families this holiday season by providing the comforts and trimmings of a holiday meal, but we can't reach as many people without help from supporters like YOU.

How you can help:

Donate to our Holiday Boxes Virtual Food Drive

Every donation to our Virtual Food Drive helps us provide the food, transportation, and resources to get Holiday Boxes out efficiently in time for the holidays. You can make a gift or create your own Virtual Food Drive at www.harvesters.org/holidayboxesVFD.

Host a Holiday Boxes Food Drive and Packing

Help us provide a Holiday Box by collecting and packing boxes that are ready to go! Contact our team before starting your drive. We will provide you with resources like boxes, personalized "This box was packed by" cards and tips to make your drive run smoothly using SignUpGenius.com, or utilizing a special Harvesters partnership with Hy-Vee (if you are packing 50+ boxes). We'll also work with you to get your completed Holiday Boxes picked up and back to Harvesters for distribution.

Each Holiday box needs to include the following items:

- 2 - 14.5 oz. Cans of Green Beans
- 1 - 15.25 oz. Can of Corn
